About Chris Caldwell

As a “mentalist,” Chris has baffled and entertained Nobel Prize winning scientists, engineers, “quants”, the Governor of New Jersey, the Governor of Arizona, Police Departments, Muhammad Ali, best-selling author Jakob Nielsen, and the world’s largest corporations.

In the early 80's, while working as a DJ at the nation's premier “Magic” music station WMGK in Philadelphia, Chris developed an uncanny ability to “know” what song a caller to the station wanted to hear just by the tone of their voice. Soon he was performing mental feats at various station events. He began to receive publicity for his unique demonstrations and was regularly booked to perform at corporate events throughout the Delaware Valley.

Today, Chris performs in the finest hotels, theaters, conference rooms, and hospitality suites, as well as on trade show floors, and in private homes at events across the USA.

Chris’s show is based on audience participation. Everything that happens is happening in real time. **Nothing has been prearranged with any member of the audience.**
