

Table Flyer Instructions

1. Flyers are designed to print on **both sides** of an 8.5 x 11 sheet of paper.
2. In your printer's dialog box, make sure to set your printer to "Scale" at 100%. Otherwise, the image and text will print too small.
3. To add an inexpensive dash of color, use colored paper.
4. Cut the flyers down the middle at 5 ½"
5. We recommend one flyer to each table of 5 to 8 persons.

If you have any questions, please contact us at events@chrisdwell.com.

Thank you!
